Attention All Physician Assistants;

This is to announce a change regarding your Supervision Data Form (SDF). Effective immediately, you will no longer receive a copy of the SDF that you send to the board.

How will you know that the board received your SDF? By logging onto the Department of Health web site at www.doh.state.fl.us/mqa, (available 24/7, no email or phone calls needed), you can see who the board has on file as your current supervisor(s). Allow 15 business days for processing.

By clicking onto the physician's license number you can see the status of his or her license, (it must be active to be a supervisor for you). By frequently checking this site, it will be much easier to maintain compliance with the licensure regulations.

License look up instructions:

1. Enter the web address www.doh.state.fl.us/mqa.
2. Select "Verify License Provider" on the left side of the screen.
3. Scroll down and click onto "License Verification, (What's This?)"
4. From the drop box select "Physician Assistant". Enter your license number including the PA with no spaces like this; (PA9101234) Note: It is not necessary to enter information into the other boxes.
5. Click the "Find Provider" button.
6. Click the "Supervising Practitioners" tab.
7. To check the status of your supervising physician's license, click onto the license number.
