TAB 1: Approve Minutes from October 15, 2007, Meeting

MOTION: by Parrado, second by Goersch to approve minutes. Motion carried unanimously.

TAB 2: Review Rule 64B16-26.1031, F.S. 465.189

1. Comments from Osteopathic Medicine regarding Immunization Rule

Ms. Poston presented the issue. Dr. Rose said the Board of Osteopathic Medicine had four issues of concern:

- Supervising physician in the vicinity
- Responsible party in case of adverse incident
- Priority in case of shortage of vaccine (CDC Guidelines)
- Specific protocol agreement between pharmacist and physician

Mr. Flury stated that the Osteo Board did not have the Statute in front of them at their meeting and suggested they review it at their February Osteo Board meeting. Mr. Parrado stated their all of the issues were addressed in the statutes. Mr. Garcia said that the Committee had

approved the draft language at the October meeting and the full Board also approved it at the October meeting. Ms. Poston reported that the rule had been noticed for development but had not been published. Ms. Loucks will move forward and Notice the rule.

TAB 3: Review Rule 64B16-28.141 – Requirement for Automated Pharmacy System in a Community Pharmacy

1. Bar Code Scanning as Final Rx Check - Jerry Kelley, Omnicare
2. Kevin Fearon, Omnicare

Mr. Kelley and Mr. Fearon discussed the use of bar code technology for the final label to product check.

The Committee does not have the authority to grant a waiver or amend language. It would take legislative action to change the language.

TAB 4: Clarification of Rule 64B16-28.605(3)(a) – Class II Institutional Pharmacies – Automated Distribution and Packaging

1. Joseph Allen Haynes, Edward White Hospital

Mr. Haynes asked the Committee for clarification on how many meetings are to be convened by the multidisciplinary committee and the retention period for minutes and agenda. Mr. Parrado thought most meetings are on a quarterly basis. This is not addressed in any rule. The number of meeting to be convened by multidisciplinary committees would depend on each institution based on if there were any oversights of the decentralized automated medication system.

TAB 5: Review Rule 64B16-28.850 – Special Pharmacy – ESRD

1. Mel Martin – ESRD Proposed Law Change

Mr. Martin, James Rosenzweig, and Sterling Elliott want to improve patient care by having five drugs added to the list.

MOTION: by Parrado to approve the language and forward to the full Board for rule development, second by Alvarez. Motion carried unanimously.

TAB 6: Review Rule 64B16-28.902 – Nuclear Pharmacy – Minimum Requirements

1. Mannon G. Bankson, III, Triad Isotopes

Mr. Bankson discussed the references that are to be available according to the Statute. Nuclear Pharmacists use a wide array of references not typically used in traditional pharmacy settings.

Mr. Powers will contact local Nuclear Pharmacists for suggested references to add to the list.

MOTION: by Parrado to eliminate 64B16-28.902(4)(i) from the Statutes and forward to full Board for rule development, second by Alvarez. Motion carried unanimously.

TAB 7:

Rule Development Request:

1. MQA Investigative Field Office – Ft. Myers: Automated dispensing machines/lot numbers

Mr. Poston presented this issue and discussed the automated dispensing machines and lot numbers.

MOTION: by Goersch, second by Lalani to approve Mr. Parrado and Ms. Loucks to work on language. Motion carried unanimously.

2. MQA Investigative Field Office – Tallahassee: Length of time a facility has after an initial inspection to opening

Ms. Poston suggested looking at the rules to see where a time period could be input. A 90 day time period was suggested.

MOTION: by Parrado, second by Goersch to have Ms. Loucks look at the rules and come back to the Committee for review and discussion.

3. Agency for Health Care Administration – Area 1 Pharmacy Workgroup

Ms. Poston suggested that she and Ms. Loucks see where AHCA suggested changes can be made and refer back to the Professional Practice Committee for review.

TAB 8:

Review Rule 64B-28.108 - Expiration Date on Labels, F.S. 465.0255

1. Martin Dix, Esquire

Mr. Dix requested clarification and possible modification to the rule. Ms. Poston said the reason this was placed on the agenda is because the rule specifically says "Expiration date".

MOTION: by Alvarez, second by Parrado to amend 64B16-28.1008(2)(h) and (3)(i) to "Discard After" and refer to full Board for rule development. Motion carried unanimously.

TAB 9:

Rule 64B16-28.450 – Centralized Prescription Filling, Delivering, and Returning

1. National Association of Chain Drug Stores (NACDS) Correspondence

Ms. Poston said this was on the agenda because NACDS provided comments regarding on the draft rule. They suggested that the originating pharmacy write the word "central fill" on the face of the original prescription if the prescription is transmitted electronically from the originating pharmacy to the central fill pharmacy.

MOTION: by Goersch, second by Alvarez to keep language as drafted but on (6)(a)1. change the word "to" to "from" and forward to full Board for

approval and publishing proposed language. Motion carried unanimously.

TAB 10: Public Comments

There were no public comments.

MOTION: by Goersch, second by Parrado to adjourn. Motion carried unanimously.

Meeting adjourned at 11:47 a.m.
